Holly Jolly Christmas

Products used:

- Holly Jolly Christmas paper pack
- Green and Red cardstock
- Glossy Accents
- Foam tape
- Glue/Tape
- Microbeads

**Instructions:**

1. Your background pages will be the Christmas train and the Christmas sleigh paper.
2. Cut 2 strips of green snowflake paper, 4x15cm.
3. Cut 2 pieces of knitted paper, 16x18cm and 14x18cm.
4. Cut 2 pieces of striped paper, 15x13cm each.
5. Cut red cardstock: 1x 10x10cm; 2x 13.5x11cm; 3x 6x7.5cm.
6. Cut green cardstock: 9.5x4.5cm.
7. Adhere the pieces of paper according the diagram. Remember to use foam tape to give your photos dimension.
8. Emboss the chippie words 'holly jolly christmas'. First using a white chalk ink, embossed it. Then inked again with the white chalk in and embossed it again. For the last layer I only inked half the words with a green chalk ink and embossed again.
9. Glue micro beads in the centre of the 'o's' of each word.
10. Once all the paper pieces have been adhered, embellish the pages with the embellishments.
11. If everything is adhered and in place, dot glossy accents around the pages to indicate snow.
